LEISURE SERVICES DEPARTMENT

The Dick Thompson 7's

A warm welcome to everyone for this our second 7-a-side competition to be held at Gillford Park, Carlisle. Very grateful thanks must go out to our sponsors this afternoon, Dick Thompson who runs his own Joinery business in the City and also Carlisle City Council Leisure Services Department for contributing so much for today's events.

Again this year we have a full day's entertainment for you. Some of the best known teams and players will be battling it out for a place in the final this afternoon. In between games the sprint competition will be held and the Exodus Skydivers are to deliver the match ball for our final. Behind the grandstand will be games and rides for all the family, so don't miss out on that.

Finally we hope you enjoy today's events and we look to seeing you all again next year.

Garry Schubert

Rugby League Development Officer
Carlisle City Council
